## CHICAGO GRAIN

Chicago, Aug. 6.—Readiness with which offerings were absorbed had a bullish effect today on wheat. Apparently speculators could not be turned from the prospect that huge exports from the United States would be certain before a great while. Cables from Liverpool referred to better terms granted by the British government for insuring war risks on foodstuffs. At first, however, prices seemed to waver on account of selling by receiving houses here. Weakness was chiefly noticeable in the nearby delivery, September. After opening 1 3/4c lower to 1 1/4c advance, the market overcame all the losses and in the deferred options scored net gains that amounted to 1 1/2c.

Expected rains in the domestic drought region weakened corn at the outset, but a decided rally ensued when wheat turned strong. Besides eastern cables to 1 1/4c advance, the market overcame all the losses and in the deferred options scored net gains that amounted to 1 1/2c.

Trading in oats was quite limited. Values were governed mainly by the action of the corn market.

Packers were credited with having

taken to the buying side of provisions. First transactions ranged from 5 to 35c higher, and there were additional gains later. Hog receipts at western points dropped off to a total that was only a third as large as a year ago.

Lack of selling pressure was responsible for a continued rise in quotations. About the middle of the season, May wheat touched \$1.06 1/4, a rise of 3 cents a bushel compared with last night. The net gains for September and December at the same time were respectively 1 3/4 and 2 3/8c. Reports that eastern exporters were trying to resell wheat to Chicago acted as a drag on the nearer months. It also was asserted that elevator interests here were more concerned about getting money to finance wheat than in any question about carrying charges.

The wheat market later reacted almost as fast as it had advanced. Closing prices were weak, 1 1/4 to 1 3/4c above last night.

The corn close was unsettled 1 1/8c to 1 7/8c net higher.

**DONALD M. PHILBIN DEAD.**  
Duluth, Minn., Aug. 6.—Donald M. Philbin, long connected with the Great Northern railway, died here today. He was credited with being one of the foremost experts on iron ore

## FOREIGN VOLUNTEERS NOT ACCEPTED

Paris, Aug. 6.—General Victor Michel, military governor of Paris, while appreciating the good will of such foreigners in France, as are offering their services in the French army and wish to organize a special corps, says he does not believe the army can at present utilize such volunteer troops.

Lady Barclay and the Hon. Miss Edith Fitzgerald, titled militant suffragettes, have been bound over to keep the peace.

If your store failed to open its doors for a time it would be hard to convince people that things were prosperous. If your store, at last, fails to appear for awhile it will be equally hard to make it appear that there is nothing amiss.

Look at any store in Ogden and try to imagine what it would be if it had never been advertised.
